

User-Interface Mockups

Main Menu (Menu)

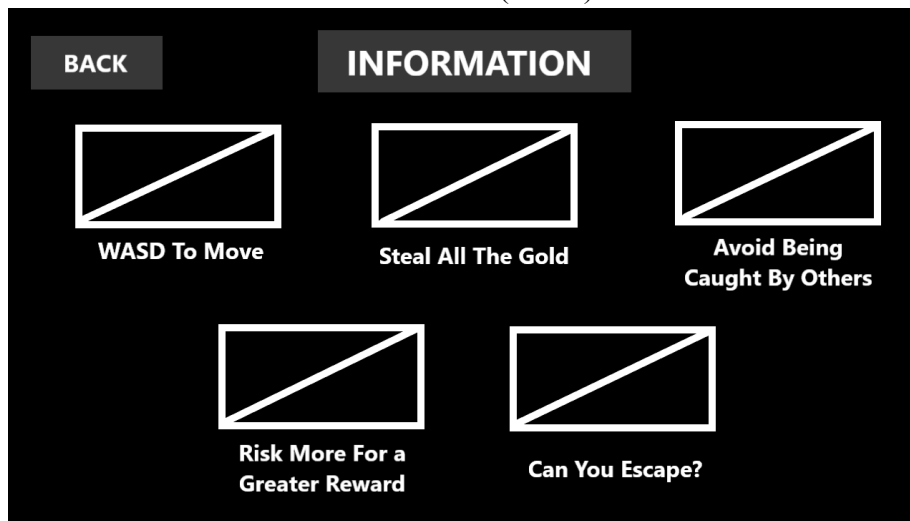

Description: This is the main menu mockup. It is highly subject to change.

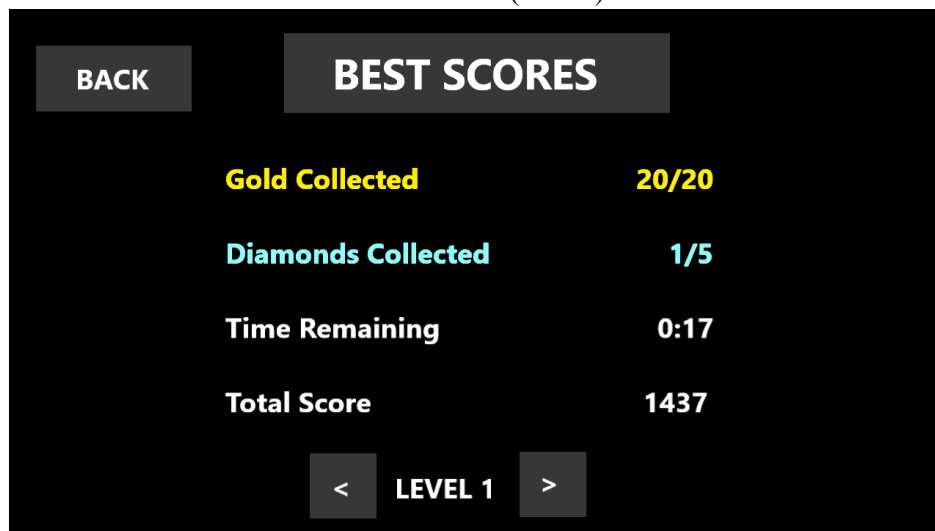

Description: Another version of the main page.

Information (Menu)

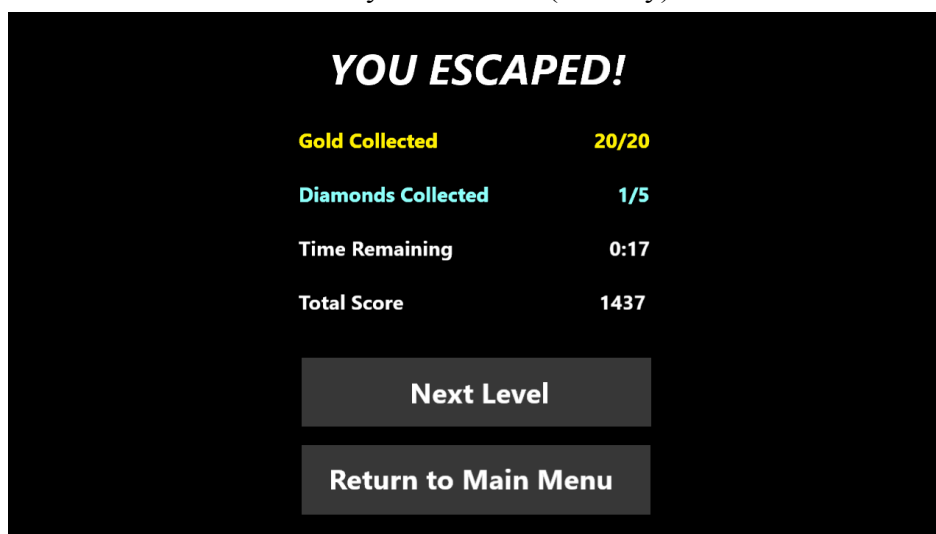

Description: In-game screenshots will be shown to help better explain how to play.

Best Scores (Menu)

Description: Each level page will showcase all the stats and total scores even if you were unable to escape.

Victory/Game Over (Overlay)

Description: This is the mockup for the victory screen. The Game Over screen will look very similar.
